Hardy Flowering Shrubs and Hedge Plants

This List Contains Only the Varieties
of Shrubs that Are Hardy and
Suitable for this Locality

Almond Amygdalus. Double pink and white
flowers like small roses.75c and \$1.00

Althaea. Rose of Sharon. Red, pink and white.

Aralia Pentaphylla. Leaves bright green and
shining; flowers greenish.

Barberry

Mentorensis. (Patented). This remarkable
new Barberry is distinctly different from any
other ever grown. It is evergreen practically
the year around; stands sturdy, erect in
growth and carries a thick, dark green foli-
age right down to the ground. This new
variety needs practically no trimming, its
growth becoming dense when it is three or
four years old.75c

Thunbergi (Japanese). Popular hedge plant,
having red berries in fall.

12 to 18 in.\$2.00 per doz; \$15.00 per 100

18 to 24 in.\$2.50 per doz; \$20.00 per 100

2 to 2½ ft.50c each; \$4.00 per doz.

Thunbergi Atropurpurea. (New Red-leaved
Barberry). Similar to green-leaved Bar-
berry, with the exception of the red foliage.
Red berries stay on all winter.

18 to 24 in.50c each; \$4.00 per doz.

Thunbergi Pluriflora Erecta. (New Pyra-
midal Barberry). A sensational new form
of Barberry, perfectly upright and pyramidal
with very dense growth and heavy foliage
evenly distributed from the ground up; ber-
ries very similar in color, size and habit to
Japanese Barberry. Can be grown like box-
wood into symmetrical specimen.

15 to 18 inch60c each; \$6.00 per doz.

Beauty Bush (Kolkwitzia amabilis). Erect,
compact growth. In early June its sprays
of abelia-like blossoms transform it into a
fountain of pink loveliness.75c and \$1.00

Buddleia (Butterfly Bush). Purple flowers in
August and September.

Calycanthus Floridus. Common Sweet Shrub.

Cornus (Dogwood)

Alba. Flowers white; blood-red branches.

Australis. White.

Deutzia

Gracilis. White.

Lemoinei. White.

Euonymus

Alatus. Corky, winged branches. Leaves bright green with red in fall.75c and \$1.00

Eurapaeus. Large erect shrub with yellow flowers; fruit rose-pink.75c and \$1.00

Forsythia Fortunei (Golden Bell). Yellow flowers on branches before leaves.

Fringe (Smoke Tree). Purple.\$1.00

Hydrangea

Arborescens Grandiflora. (Snowball Hydrangea). White.

Paniculata Grandiflora. White turning to pink, in fall.

Paniculata Grandiflora. (Tree form).
\$1.00 to \$2.00

Japan Quince (Cydonia). **Japonica.** Scarlet flowers.

Kerria Japonica. Single yellow flowers.

Lonicera (Honeysuckle)

Bella Albida. White. **Morrowii.** White.

Bella Rosea. Pink. **Tartarica.** Pink.

Privet (Ligustrum)

Armur River. True northern hardy variety.

2 to 2½ ft.\$2.00 per doz.; \$15.00 per 100

2½ to 3 ft.\$3.00 per doz.; \$20.00 per 100

Ibodium. Hardy and best for hedges in this locality.

12 in.\$1.50 per doz.; \$10.00 per 100

2 ft.\$2.00 per doz.; \$15.00 per 100

2 to 3 ft.\$3.00 per doz.; \$20.00 per 100

Ibota. Large white flowers; very fragrant.

Rhodotypos. **White Kerria.** White flowers; handsome fruit.

Ribes. **Flowering Currant.** Yellow flowers with black fruit.

Rhus

Corppalina. Shining Sumac.

Glabra. Smooth Sumac.

Typhina. Staghorn.

Spirea

Arguta. White flowers. The first to bloom in the spring.

Anthony Waterer. Dwarf. Deep pink flowers.

Opulifolia. Tall growing shrub; creamy-white flowers.

Opulifolia aurea. Golden foliage.

Vanhouttei. White flowers. Best of all.
25c to \$2.00 each

Symphoricarpus

Racemosus. **Common Snowberry.** Pink flowers; white berries.

Vulgaris. **Coral Berry.** (Indian Currant). Purple berries.

Syringa (Philadelphus, Mock Orange)

Aureus (Golden Mock Orange). Yellow foliage.

Coronarius. Pure white.

Grandiflorus. Scentless Mock Orange. Very large white flowers.

Lemoinei. Small white flowers. Medium growth.

Virginal. Very large, double white flowers. Continuous blooming. 50c and 75c

Viburnum

Dentatum (Arrow-wood). Dentate leaves. Flowers greenish white.

Lantana. Thick dark foliage, downy on one side; white; red fruit.75c

Opulus. High bush Cranberry.

Opulus nanum. Dwarf Cranberry. Used for edging.

Opulus sterile. **Common Snowball.** White flowers, in clusters. May.

Viburnum

Tomentosum. Japanese Snowball. Single white flowers. 75c

Tomentosum plicatum. Japanese Snowball. Double white flowers. 75c

Weigela

Eva Rathke. Brilliant crimson flowers.

Rosea. Pink Weigela. Rose-colored flowers.

Ornamental and Shade Trees

Catalpa Bungei (Umbrella Tree). Indispensable for formal planting. 2 year heads \$2.00

Crab

Bechtel. Large, double pink flowers. \$1.50

Parkman. Double, deep rose flowers. \$1.50

Elm

American. One of the most noble, stately and dignified of our native trees. 8 to 10 feet, \$3.00. (Prices on larger sizes upon application).

Camperdown. 2 year heads. \$3.00

Maples

Norway. Most popular of all trees for street planting, since even the larger sizes transplant well, and are tolerant of city conditions. A handsome and familiar round-headed tree, whose green leaves turn to a golden yellow in late Autumn. From \$3.00 to \$20.00, according to size.

Silver. A graceful tree for specimen or street planting, with leaves silvery on the under side. 8 to 10 feet, \$2.00

Wier's Cut-leaf. A graceful form, with drooping branches. Leaves delicately cut. 8 to 10 feet. \$5.00

Poplar. Lombardy. A well known and very picturesque tree, frequently used to screen unsightly objects. Quick growing, tall and spirelike. \$1.00 to \$3.00

Thorn. Paul's Scarlet Thorn. Double, glowing flowers of deep scarlet in the Spring. \$1.50

Why Not Come to the Nursery
and Make Your Own Selections?

Vines

Ampelopsis Veitchii (Boston Ivy). Fine for covering wall and fence; fine for brick and stone. 50c and 75c

Bitter Sweet. A rapid growing, twining vine with bright orange and scarlet fruit. 50c

Clematis Paniculata. A quick grower and free spreader with starlike white flowers. 50c

Dutchman's Pipe. Brownish, pipe-shaped flowers appear among the large, round leaves of this climber. \$1.00

Euonymus Radicans. An evergreen vine good for covering low walls. 50c

Hall Japan Honeysuckle. Quick growing vine, having fragrant, white flowers. 50c

Polygonum (Silver Lace Vine). A splendid vine which produces great quantities of fleecy white flowers throughout the summer months. 75c

Trumpet Vine. July brings large, scarlet and orange, trumpet-shaped flowers to this handsome vine. 35c

Woodvine. Produces dense shade for porches or arbors. 50c

Wisteria (Chinese). Long, pendulous clusters of pale blue flowers. Also white. 75c

We also have a complete line of Evergreens, Roses, Hardy Perennial Flowers and Rock Plants.
